RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH, of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURR, when timely used. Never did we know an instance of diseatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effects and medical virtues. We speak in this matter 'WHAT WE DO KNOW,'' after ten years' experience, AND PLEDGE OUR REPUTATION FOR THE FULLILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the Syrap is administered.

This valuable preparation is the prescription of one of twenty minutes after the Syrap is administered.

At length their eyes fell upon a young lady upon the gangway-plank whose features denoted that her ancestors might have flourished in the land of India, and as it struck them her finge dimensions around the waist did not correspond with her otherwise physical appearance, they put her under close surveillance. Allowing her time to fairly compose herself in her state-room, which they visited, and after imparting their suspicions to the Captain of the boat, they gently knocked at her door.
